### **Regional Services Reform Roadmap**

#### **Resolution:**

The Community demands a commitment from the State Government's Regional Services Reform Unit ensuring:

1. That Aboriginal people be front and centre in designing and implementing regional and remote service reforms.
2. That the State Government acknowledge the significant contribution Aboriginal Corporations make each year in the form of funding, infrastructure and service delivery and involve them directly in decision-making about services reforms.
3. That both State and Commonwealth Governments be more transparent and accountable as to the existing spend on Aboriginal services in regional and remote communities.
4. That at the Ministerial level, the Hon Peter Collier, Minister for Aboriginal Affairs and chair of the Aboriginal Affairs Cabinet Sub-Committee be more responsive and accountable for the impact on Aboriginal people in the region.
